107th Annual Meeting Session Registration Form

Please check the box to the left of a session or circle a discussion group.

Important: Pre-registration is highly recommended. It allows APsaA to see which sessions are most popular so we can plan accordingly. Also, many Chairs send materials to pre-registered participants prior to the conference. There will be no on-site registration for sessions. The more popular sessions will reach room capacity quickly and you may wish to plan for an alternative.

There is no longer a lottery for the Two-Day Clinical Workshops. Instead, please register for a Two-Day Clinical Workshop along with all other sessions. The best way to register for these workshops is online at apsameeting.org. If registering by mail, please indicate a second choice (i.e. Discussion Group) in case your first choice of a Clinical Workshop is closed.
